Project [tasks and timeline](#)

Updates from systems on possible projects:

NWLS - Exploring transition to Backstage for inclusive headings, cleanup, Native content creator work. This would also put us with the same authority vendor as WVLS.

WVLS - Diacritics project budgeted. Mapping Homosaurus to existing catalog. No major pending projects.

MCFLS & MPL - Have requested quotes from Backstage & Marcive.

WRLS - We have quotes for Backstage (\$12000) & Marcive (\$10000); decision being made May 11.

IFLS - Interested in automated clean up tools from Prairie Lakes, set up a meeting with Lori and Jim Novy.

Monarch - Exploring retrospective work with inclusive subject headings with Backstage \$2500 processing + \$500 set up fee. Or set up fee (\$500) for new maintenance. The Vega project might make the historical work problematic.

OWLS - No pending projects. Willing to assist with cleanup.

Jim Novy will join us on **May 15 at 2pm** to share about the automated cataloging process he has created.
