Project [tasks and timeline](#)

Overview of current year grant

Establish baseline of how we all catalog throughout the state

Establish relationships with authority vendors for systems that are not using one currently

Best practices based on existing commonalities

- Encourage Z39.50 searching

- Deduplication of efforts

- Identifying barriers to sharing information

- Database maintenance

2023-2024 grant application:

- Use of a common bibliographic utility
- Automation of bibliographic editing
- Deduping
- No subjects
- Implementing authority vendors
- Mapping inclusive subject headings
- Improving name authorities for native content creators

Opportunities:

State-wide bib standards group

New members of the cohort

Marc Edit Training - Pay for training, <https://libraryjuiceacademy.com/shop/course/180-using-marcedit/>

Coordinator - to coordinate the grant

Name Authorities Consultant

What would the relationship be with WISCAT discovery?

WISCAT as a repository for bibliographic records.

Alternatives to high OCLC costs: group services contract

<https://librarytechnology.org/pr/28564> : Boston Library Consortium

Standardizing inclusive headings

Best practices for local headings

Wisconsin Authors - WLA list of Wisconsin authors

Diversity audits similar to accessibility audits

Database maintenance: Training, expectations, best practices, survey - Consulting hours

Peer council rejuvenation with grant money

Repository for shared web repository or site for the systems? One where we could share documentation, scripts, workflows, bib standards, projects we are working on, etc. If we had a place where anyone could access info it might make finding common ground easier, maybe?
