September 11, 2024, 2:00pm

Meeting recording: https://youtu.be/ba1icy-H9cM

Updates:

1) Visit from Ben Miller (DPI) to finalize grant information for the 2024-2025 cycle.
   a) Piloting new technology: the management of incorporation of Overdrive records (Purchased services)
   b) Sifting work priorities with opportunities created by automation
   c) Series cleanup vs. other clean up (what is other)

New Business:

2) Follow-up with Joy P. regarding WISCAT Search Format Fields from Auto-Graphics.
   a) Fall is WISCAT enhancement season
   b) Removing eBooks and eAudio from search results
   c) How do audiobooks with 007s get sorted
   d) Audit of existing shelving locations within ILS for WISCAT searches
   e) Suppressing new materials
   f) "Format" in Advanced Search
      i) One catalog example with "columns" dividing formats is NC State University Libraries. https://search.lib.ncsu.edu/?q=industrial+design. . . see how articles and books & media are each columned out content?

3) Authority Vendor Discussion
   a) If we were all using the same authority vendor would this offer an opportunity to implement state standards in the future? Local subjects and genres, perhaps.

4) Follow-up with Lynn G. regarding contact with a former colleague at RAILS Consortium to discuss Core Cataloging Elements document.

   a) Nincy George, RAILS Cataloging Services Manager – nincy.george@railslibraries.org – we created her position to implement the rest of the working group's recommendations, so she wasn't directly involved in the creation of the standards but is very familiar with it all.

   b) Erica Laughlin, RSA Cataloging & Database Supervisor – erica.laughlin@railslibraries.org – she was on the working group and is a great source of insight on all things cataloging.

   c) Ann Slaughter, Director of Technology Services: RAILS anne.slaughter@railslibraries.org

5) Example WISCAT searches- Jackee J.
   a) Expected or unexpected results from executed searches?
   b) What suggestions could possibly be made to Auto-Graphics to improve functionality?
      i) Advanced search vs. "regular" search

ii) Clear all

iii) Updating your search results

6) [WICATALOG](#) Best Practices Document

    a) Table of Contents
        i) Keep "Kit and Library of Things recommendations" ?
        ii) Add "Choosing a record", "Resources"?
    b) Music CD Recommendations
        i) 264 As complete as possible. ©℗ Discussion
        ii) 3XX follow RDA |b Discussion
    c) Foreign Language Materials Recommendations
    d) Local Subjects and Genres
        i) Materials on the Same Bibliographic Record
        ii) Paperbacks and Hardcover
        iii) Multi-disc video recordings
    e) Resources
        i) Other items to think about:
            (1) Are certain types of Records from each library system blocked from WISCAT? Things? Kits? Equipment?
            (2) Single Multi-volume vs. Separate Bibliographic Records for Sets and Series
            (3) Books with CDs
            (4) Translations

Standing Business:

7) Continue discussion of RAILS Cataloging Core Elements document in relation to our project.

8) Next Sub-Committee meeting - October Date TBD
